

This Privacy Policy describes the types of information collected by Vertice Travel on this website and how we use and protect them.

This Privacy Policy only applies to this website and does not apply to banners, contests, advertisements or promotions that are sponsored or participated in on our website or on third party websites.

Your consent to this Privacy Policy

By using our website you signify your acceptance of this Privacy Policy and agree that Vertice Travel's use of any personal information you provide or submit to this website is governed by its terms and conditions.

If you do not accept the conditions of this Privacy Policy, please do not use this website or disclose your personal information.

Information we collect

The term "Personal Information" used in this Privacy Policy means the information that identifies you personally, such as your name, address, telephone number, age and / or email address.

The web page you have entered can collect information through contests, questions, competitions, exams, subscriptions, promotional questionnaires or registration forms. Some of our sites may require registration forms to enable you to participate in contests, games, or other activities.

Vertice Travel will not collect any information from visitors to our web / wap pages unless they provide us with their Personal Information on a voluntary basis and we will only require the information necessary to participate in the activities of our web / wap pages. We do not collect any financial information or data that may harm the sensitivity of our users.

When you decide to supply us with your Personal Information, you are authorizing us to use it in accordance with the terms of this Privacy Policy, which includes your right to limit our use of your Personal Information, as described in this Privacy Policy.

The website you have accessed may also collect your Personal Information regarding a third party (for example, the page may authorize you to send an email message to a friend; in that case we will need that person's name and your email address) but we will not contact that third party by email again, unless they contact us.

How we use Personal Information

When you supply Personal Information to this website, we use that data for the purpose for which it was collected (for example, to enter you in our contests, subscribe you to newsletter / mailings or to satisfy your requests for information about contest prizes. or orders for products, information or services) in accordance with the terms established in this Privacy Policy. We can also use

our Privacy Policy to consult you about promotions or products, as well as other products and services that you request from us (including those that we can offer together.

with other companies). However, if at any time you want us to stop contacting you, you can unsubscribe.

We also use Personal Information to keep you informed of the activities of the users of our pages and social networks, to improve our marketing services and promotional activities, for statistical analysis and to improve the content and design of our website, as well as to define our online and offline marketing strategies.

We may also refine your Personal Information by linking it with data obtained by third parties, such as non-personalized identifiable information (for example, geographic and demographic characteristics) and other public data such as that obtained by population censuses. The improved information allows us to provide our users with a more personalized treatment.

Vertice Travel's premise in collecting and using Personal Information is to provide you with a meaningful and personalized quality experience while using our sites, as well as to promote our products effectively and efficiently.

Collection and use of other information: Use of cookies

What are "cookies"? Cookies are small files or amounts of information that are stored in your browser, on your computer's hard drive, when you visit a web page. The use of "cookies" is conventional in the industry and you will find them on many web pages. Vertice Travel may use "cookies" to collect other information while you visit our sites, such as the specific areas of the website you visit and the activities in which you participate on our sites.

Vertice Travel does not automatically collect any Personal Information, but may combine non-personalized information, collected automatically (through "cookies") with Personal Information submitted on a voluntary basis. Such a link can only occur if you provide Vertice Travel with Personal Information on our sites. This practice allows Vertice Travel to keep you abreast of items such as your participation in contests, interaction via email, answers to questions, receipt of online coupons and other kinds of activities via the Internet, as well as improving our sites and our products according to your interests and needs.

Cookies can also be used to help speed up your future activities on our web pages - the computer may remember that you have already sent us your Personal Information and will not ask for it again.

Anonymous information from your computer, as well as your IP address (a number assigned to your computer when you browse the Internet), the type of Internet browser and the operating system you use, may also be collected by us through "cookies". Servers (computers that "upload" web pages online) automatically identify your computer by its IP address. When you require a page, our servers take note of your IP address.

Most browsers do a verification before accepting "cookies". If you do not want to receive "cookies", or want to be alerted when they are being sent, you can configure your browser for this purpose. Rejecting "cookies" may prevent you from accessing certain areas of our website, or receiving personalized information when you access them.

With whom we can share information

In case of carrying out commercial, professional or technical support functions,

we can contract services from other companies. For example, we may sometimes hire third parties to analyze, update and correct data that we collect on our web / wap pages, which include Information

Personal, to help us improve our products, our databases and our web pages. Therefore, we may share Personal Information with agents, suppliers and other third parties to allow the delivery of prizes, information, products or services. Those providers and third parties may have access to your Personal Information only if it is necessary to carry out their tasks for Vertice Travel, but they are not authorized by us to use their Personal Information for other uses than those intended.

We may also share the aggregate of non-personally identifiable information about our users with advertisers, social media managers, partners, sponsors, and other third parties. For example, we may tell a partner the number of men and women who entered a competition, but we do not disclose personal information about such competitors in violation of this

Privacy Policy.

As established in this Privacy Policy, your Personal Information will not be sold, transferred or disclosed without your prior consent. Our intention is to limit or prohibit the Personal Information that you provided us from being disclosed in ways other than those previously mentioned, as well as to provide you with the option to unsubscribe.

We may also disclose your Personal Information when required by law or court order.
